

Discovery Hotel and Convention Ancol, Executive Chinese Chef Winson Yao

Jakarta, 24 March 2015 – Teratai Chinese Restaurant at Discovery Hotel & Convention Ancol introduces Executive Chinese Chef Winson Yao, who brings his remarkable authentic Cantonese cuisine and extraordinary gourmet experiences.

His passion for cooking began when he was only 14 years old as he started to work as an assistant of the chef for a Chinese restaurant in Hongkong. After having extensive experience in the kitchen, he decided to further his skill and knowledge and pursue his dream to be a chef.

In his position of the Executive Chinese Chef at our Resort hotel, he is able to surprise our guests with the best creations prepared with a particular love. Abalone, Shark Fin soup and steamed Lobster are three of his favorites. Chef Winson Yao is always excited to develop new culinary secrets and dedicates himself to new experiences both in and outside the kitchen.

At our branch of the famous Teratai Chinese Restaurant, he offers an All-you-can-eat DimSum every day with an incredible selection of steamed, fried and baked Dim Sum, whilst guests can enjoy the beautiful view of our landscaped pool and garden in a cool and relaxed atmosphere. Open daily at 11.30 - 14.30 hours and 18.30 - 22.30 hours.
