

ARTHA GRAHA PEDULI FOUNDATION HOLD RAMADHAN BAZAAR IN INDONESIA

Artha Graha Peduli hold a Ramadan bazaar in 2015. Since the beginning of Artha Graha Peduli has reached nearly 2,000 points throughout Indonesia. The bazaar is held as our concern to the community in meeting the basic material needs

Artha Graha Peduli Foundation's bazaar event starts from 29th June to 16th July 2015, or one day before Idul Fitri 1436 H. Based on the wishes of the government through the Trade Minister Rachmat Gobel's statement that the private sector must participate and help the community.

This bazaar has become one of the main program of Artha Graha Peduli Foundation for all the time on various occasions by subsidizing more than the normal price and is focused for poor people in Indonesia.

25 years Artha Graha Peduli Foundation has created some bazaar activities to poor communities consistently. All of units in Artha Graha Network are involved in bazaar activities. They are involved in packing process, register the candidates and distribution process.

Care to others is the commitment from founder of Artha Graha Peduli Foundation. This social activity becomes important for Artha Graha Peduli Foundation, because we want to participate social welfare improvement in Indonesia. This spirit would be an identity of a whole range of Artha Graha Network, in according to the philosophy of the founder of Artha Graha Peduli Foundation.

According to coordinator AGP in Cipanas, Mrs Rina Riniawati, in conjunction of Eid, the basic material needs will increase.

“Hopefully the public can be helped by Artha Graha Peduli’s bazaar in Cipanas” she said on the bazaar activity at village office of Sindangjaya-Rock District Pacet, Cipanas, West Java (6/7 / 2015).

Mr Azizul Verdi, as a General Manager in-charge Palace Hotel Cipanas said “We and Artha Graha Peduli Foundation really happy sharing with others” “It is our commitment from Palace Hotel Cipanas and Artha Graha Peduli Foundation and all units of Artha Graha Network to give positive contribution to public” added him.

As the dedication philosophy to the community and Indonesia, in every moments, mutual cooperation has always been an important activity for Artha Graha Network and Artha Graha Peduli Foundation family.

As an entrepreneur who was born and grew up also living in Indonesia, Artha Graha Network through Artha Graha Peduli always gives the best contribution to Indonesia.

Social entrepreneur terminology refers to entrepreneurs who have a high social concern, and not just for business.

ABOUT ARTHA GRAHA PEDULI

Artha Graha Peduli (AGP) is a nonprofit organization of Artha Graha Network who is responsible to spread the awareness and responsibilities of companies in the Artha Graha Network.

AGP has a vision to build a wide range of social care, humanitarian and sustainable environmental.

There are 5 pillars of Artha Graha Peduli Foundation :

1. Artha Graha Peduli for environment
2. Artha Graha Peduli for disaster handling
3. Artha Graha Peduli for social, culture, and education
4. Artha Graha Peduli for food security and community empowerment
5. Artha Graha Peduli legal aid for poor citizen

Artha Graha Peduli tries to reach all elements in Indonesia such as in social, nature disaster, education, environmental conservation. We work as well as we can do.

We hope Artha Graha Peduli grows bigger in the future. So we can do more for Indonesia. AGP was built to participate in social welfare improvement in Indonesia. We just want to do best for our country.

As an Indonesian, we must care each other. We don't have any political interest here. AGP always supports government's social program

We do business not only to pursue profits, caring for others is our priority. 60% from Artha Graha Network's income must be transformed to be public services. Essentially we want to be a social entrepreneur, the company who has a social responsibility, not only pursue business profits.

We have a dream that Artha Graha's income could be one of Indonesia's social activity resources.

We create this Bazaar in all areas of Indonesia to support public needs and also government programs.
