Hotel Borobudur Jakarta welcomes the arrival of the Year of The Rooster on 28 February 2017 with an array of special festive offerings and invites guests to ring in the new and prosperous year by enjoying a range of dining indulgences overflowing delicacies at Teratai and Bogor Cafe.

Families spent quality time in the comfort of the hotel's comfortable rooms with the Chinese New Year's special accommodation offers. To add more joy to the celebration, lion dancers spread the festive spirit around the hotel on Chinese New Year's Eve and Chinese New Year's Day. Seen in the pictures, Mr. Patrick Beck, General Manager of Hotel Borobudur Jakarta opened the ceremony and feed the lion with lettuce that thrown away right away as representing prosperity in the Chinese culture. The lion dancers made their way through the various outlets of the hotel, bestowing wishes of good fortune and prosperity on the hotel in the Year of The rooster.
